

# Emoji Scavenger Hunt

1. Click on the provided link to the activity.
2. Click on "Allow" for the app to access the device camera.
3. The activity will show an emoji and as a group, you will look for items in the classroom that matches with the emoji. It is timed.
4. Listen carefully to what the AI is saying and make note on what you noticed about the items the AI "sees."
5. Try to find as many items as you can and score as high as possible. Record your scores.
